## SYMBOL RESIDENCE

Alexandr Godovnikov · Thursday, July 4th, 2019

The residential complex SYMBOL is located in Limassol. Residential complex SYMBOL is located away from the busy tourist area in the fashionable area of Limassol, surrounded by five-star hotels and restaurants.

The following changes have been implemented in the project:

There are now only 17 apartments; the limited amount of residents will have an exclusive opportunity to purchase the last available units and become a part of the private community and the unique beachfront project in Limassol the layouts have been improved to enlarge the sizes of the bedrooms and the living areas the entire floor residences with 4 bedrooms and a total covered area of 350 sq.m. are now available for sale on the 1-st, 2-nd, 9-th, and 10-th floors

there is only one penthouse apartment available now with a total covered area of 351 sq.m. and 240 sq.m. roof terrace.

Facing the coastline and the green area Sea Residences of the 1-st and 2-nd floors combine the whisper of waves and the essence of the eucalyptus grove. Covering the 9-th and 10-th floors Sky Residences were designed to create an exclusive home where the sea becomes a natural extension of your space. Unique half-floor residences were designed for the complete privacy and tranquility of their owners. The south-east oriented units will allow the sunrise to enter your home together with the morning sea-breeze, while the south-west oriented units will open a full palette of the sky during the magnificent sunsets above Limassol coastal line. Due to the unique architectural design of the project, there are only two residences per floor (on the 3-rd, 4-th, 5-th, 6-th, 7-th, and 8-th) and 2 elevators per floor. The pearl of Symbol Residence project is the two-level penthouse. It features spacious bedrooms with breathtaking panoramic views, bespoke finishes by exclusive brands (natural stone, wood, Poliform kitchen), a private roof terrace with the outdoor kitchen, and a jacuzzi to provide a feeling of maximum space and luxury. By purchasing our top-floor residence, the client gets one-of-a-kind property in Limassol. The tailor-made furniture package by the Buckwheat Design Studio in London is available upon request. Important note: minor layout changes in the interior design of the apartments could be provided upon the request of a potential buyer and should be submitted by the 1st of September 2021. The 5\* resort facilities such as GYM with the yoga hall and the latest fitness equipment, and luxury SPA with the bespoke sauna, steam bath, jacuzzi, and treatment room on the basement level are facing the sea and offering a unique

healing experience. Moreover, the residents will have the possibility to use the show kitchen equipped with professional appliances, the barbeque areas right near the sea and enjoy staying under the shadow of the fruit trees garden together with the relaxing sounds of the fountain flows. Symbol Residence was designed to become an exclusive project for beachfront living, delivering complete privacy and safety of the investment.
