VENERA RESIDENCE

Alexandr Godovnikov · Friday, September 20th, 2019

The project with the beautiful name Venera Residence fully lives up to its name. Cozy gated complex consists of 7 villas with exploited roof and basement and 12 apartments, with 2 and 3 bedrooms. The spacious verandas of the apartments are an additional big bonus for the residents of the complex. VENERA deserves attention for its good location and quality finishes. Silence, safety, walking distance to a clean beach, shops, and restaurants - these are exactly the factors that are important when choosing to buy real estate, especially with the prospect of living in it or for renting.
